CRC Council Report

The Lutherans are not happy about New Community Covenant taking over for UCCF. Marty told Julie he was not worried about the Campus Religious Center closing, and said the Lutheran group would do fine meeting somewhere else. He also mentioned the condition of the building and the amount of work and money needed to fix it.

Christian mentioned that he was not thrilled with the future prospect of staying in the building, and thought ministry activities should occur on campus. We need to discuss with NBBC, FBC Bloomington and at Cluster meetings to get their opinions.

Bill mentioned talking to Fred Moore (attorney at FBC) in case we need any documents or contracts reviewed by an attorney.

Old Business

Bible Study Small Group – They just finished a 5 week study of the book “Reason for God” by Tim Keller. The students seemed to enjoy the study.

New Business

Campus Minister – Christian knows of a youth minister looking for another position, Ryan Donoho. Christian will talk to Ryan to see if he is interested.

Bill mentioned that NBBC may be interested in combining forces with UBF as the church may not be in a position to hire a full-time pastor.

Julie purchased a new laptop for UBF with funds approved by the board in 2010 (\$3000 for laptop and projector). Total cost for the laptop, including computer bag, Norton Internet Security software, and Parallel to USB cable (for laser printer), was \$561.79. There is \$2438.25 remaining to purchase a projector.

Next Meeting - To be determined at a later date
